FAMILY SUPPORT

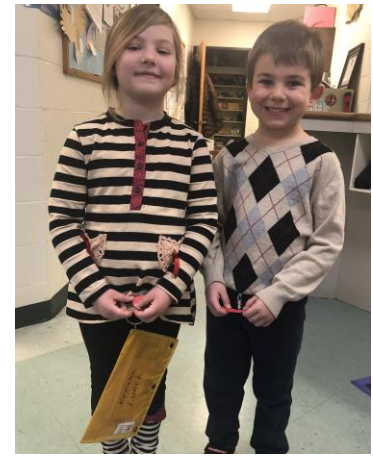

The Wellness Center strives to achieve our goal through breaking down barriers to traditional mental health services. We offer flexible hours, satellite locations, outreach into the community, minimal wait-lists and go to all means to provide services regardless of ability to pay.

The CJR Wellness Center accepts all major insurances and will work with out-of-network insurances. We will not deny services for inability to pay.

Our Clinicians are Master's Level, Licensed Social Workers and Professional Counselors who have a vast array of training and experience working with youth and their families.
