Dear Parents and Players,

We are very happy to announce that the 29th Annual Highlander Basketball Camp will be held at Northwestern Regional 7 in Winsted. Our staff and special guest speakers will continue to provide training in all the basic game elements. The camp is divided into the lower league grades 3-5 and the upper league grades 6-8 for skill development, competitions, and games. The week includes special guest speakers, contests, full & half court drills, prizes, and 2 league games per day. The final day showcases individual skills competitions and semi-finals and championship games. We hope you can join us to share this great experience.

Our goal has always been to provide a positive learning opportunity that will enhance young people's desire to play the game. Our objective is to help young people improve as basketball players and as individuals. We believe that love for the game and improvement go hand in hand.

The camp is open to all boys and girls entering grades 3 through 8 whether they are just beginning or advancing in their personal basketball skills and knowledge. Please join us!

Sincerely,
Brendan T. Fritch
Camp Director
